THE CHRISMON TREE

The Lutheran Church of the Ascension
Danville, Virginia

The Chrismon tree in the Church where it originated in 1957. Centuries-old symbols depict the Life of Christ, and tiny white lights reflect the purity of our Saviour as they decorate the evergreen tree in the nave of the Church which is open to the public. These Chrismons add their white and gold beauty to the Christmas season and make the celebration of our Lord's birth more meaningful by emphasizing God's great Gift to the world, our Saviour Jesus Christ.
